Subject: New Innovation of The Vacuum Machine

Years of mastery and perfection have gone into the development of the ideal cleaning device, providing both excellent comfort and cleanliness, all just for you. Alice Electronic is thrilled to announce our family-compatible vacuum that is noise-free and has an aqua filter installed into it.

The vacuum effectively gathers all the dirt in the environment and keeps it tightly locked in the machine's bag. Once the capacity of the bag has been reached, a red light with a beep sound will alert the user. The filter installed will keep the dust from polluting the environment, and you can safely clean it without any problems. With today's economic situation, it is best to spend your money wisely. If you purchase our new vacuum now, you will earn a great deal and save up to 30% discount on the purchase. Alice Electronic works very hard to bring you the best quality at the most affordable price.

Our showroom remains open every day from 7 A.M. to 8 P.M., and you are most welcome to drop by anytime to take a look and test out our product at Alice Electronic. We highly appreciate it if you could drop by our store to test my new product. We look forward to seeing you at our store. Thank you very much for your precious time in reading this letter.

Very truly yours,

Subject Line: Unable to join the Ted Talk

Sir:

I am genuinely grateful for the opportunity to speak at your upcoming event next week. Your invitation to the TED Talk means a lot to me, and I appreciate the hard work you've committed to making this event possible.

I observed how dedicated you are to the project from start to finish, complete with excellent equipment and outstanding speakers. Unfortunately, due to an unexpected family medical situation that demands my immediate attention, I am traveling to Singapore and will be unable to attend the event as planned. The situation arose unexpectedly, and despite my best efforts to rearrange my schedule, I was unable to make alternative arrangements in time for the event. I understand the value of this opportunity and sincerely apologize for any inconvenience my absence might cause you and the TED Talk organizers. I am very disappointed to have missed this opportunity to share my thoughts and ideas with the public.

I want to offer my heartfelt gratitude and appreciation for your invitation. Please accept my deepest apologies for any inconvenience this may cause to your plans. Thank you for taking the time to read my letter. I look forward to seeing you soon.

Madam:

I am writing to humbly offer my notice of resignation from my position as the head of media and production at Debate Company. My last day of work will be on 10 April 2023.

I have made the difficult decision to resign from a company that I have learned so much from and has made me feel at home since day one, to pursue one of my favorite hobbies, content creation on a streaming platform. My years in the debate company were among some of the best of my life. I will miss the culture the Debate Company has facilitated and all the colleagues and friends whom I have been through thick and thin. In addition, I truly appreciate what the company has done for me and all the opportunities the company has provided to me, allowing me to grow into the person I am today. I can't wait to carry what I have learned here and continue to bloom till the day I dry up in an endless sea of pink blossoms.

I am thankful for your understanding and hope for your continuous support for me. I am very excited to explore this new chapter of my life. I wish you all the very best. Please let me know if I am of assistance to you during the twelve work days, I still have left in the Debate Company.

Very truly yours,

KIMLENG HEU
