Subject: Introducing SmartStudy Pro Application

I am writing to introduce SmartStudy Pro, an innovative application designed to enhance students' academic performance and productivity. Our application is developed to support university students in managing their time, organizing study materials, and improving learning efficiency.

SmartStudy Pro offers features such as task scheduling, AI-powered note summarization, and progress tracking. These features allow students to study more effectively while reducing stress and saving time. In addition, the application is user-friendly and accessible across multiple devices. With the increasing demand for digital learning tools, SmartStudy Pro provides a practical and reliable solution for students seeking academic success.

We would be delighted to provide a demonstration of the application at your convenience. Thank you for your time and consideration. We look forward to the opportunity to collaborate with your organization.

Very truly yours,

CHHANON TENG

Subject: Request for Refund

Dear Mr. Dara,

Thank you for bringing your concern regarding the damaged laptop to our attention. We appreciate your continued trust in our products and your effort in contacting us regarding this matter.

After carefully reviewing your request and inspecting the returned product, we regret to inform you that we are unable to approve the refund. Our technical team found that the damage was caused by external factors that are not covered under the warranty policy. As stated in our terms and conditions, the warranty applies only to manufacturing defects and not to damage caused by misuse or accidental impact.

We understand that this situation may be disappointing, and we sincerely apologize for any inconvenience caused. As an alternative, we would be happy to offer a discounted repair service for your device. Thank you for your understanding, and we look forward to continuing to serve you.

Very truly yours,

CHHANON TENG

Attention: IT Manager

Subject: Recommendation Letter

I am writing to highly recommend Eavheng Hor for a software developer position at Techbodia. Having collaborated with him on multiple technical projects, I have consistently been impressed by his dedication, problem-solving skills, and work ethic.

Eavheng is highly skilled in full-stack development, particularly with frameworks like Next.js and Spring Boot. He works exceptionally well in team environments, meets strict deadlines, and consistently writes clean, efficient code for complex web applications.

I strongly believe Eavheng would be a valuable addition to your IT engineering team. Please feel free to contact me if you need any additional information regarding his qualifications or experience.

Sincerely,

Leangsiv Sok

Dear Ms. Sophea Meas,

Please accept this letter as formal notification that I am resigning from my position as Full-Stack Developer at Techbodia, effective May 15, 2026. I have recently accepted a government IT position at the Securities and Exchange Regulator of Cambodia.

I have truly enjoyed my time working under your leadership and collaborating with the entire engineering team. I am deeply grateful for the opportunities to develop my skills in web applications and server infrastructure during my tenure here.

I will ensure all my current projects are documented and smoothly handed over before my departure. Thank you again for your mentorship, and I wish the company continued success.

Sincerely,

LEANGSIV SOK
